

My Friend Adam [REDACTED],

I would like to thank you for all of your hard work and dedication to my account over the years. Back in 2009 when we were first introduced I liked you immediately, but wasn't too sure how you and your company were going to pull this one off!

My business was struggling to say the least and I needed some help desperately. I had a good business I was just running in circles trying to get ahead. I really needed to focus on the day to day activity and putting money to the bottom line, not wasting all day trying to come up with a plan to satisfy my many creditors. I owed 6 creditors roughly 97k, no small amount by any measure. I needed a better, more affordable plan than what I had in place. I was working too hard to continually be falling behind. I spoke with a salesman in October of 2009 and decided to give CT a shot. I liked what I heard, checked CT out on line and saw solid reviews, and made a leap of faith by allowing someone else to handle one of the most important things in my life: MY BUSINESS.

I was a little concerned at first, but when I met Adam and saw how diligent CT was in their process, I soon felt at ease and could focus on making money again. CT worked each account hard and came up with affordable solutions based on my limited monthly budget. They managed to get creditors to settle for terms I never believed were possible. Most creditors at one time or another flat out told me they would never, ever deal with CT ---only to come to favorable terms months later. I couldn't believe it!

When all was said and done, I had saved close to 64k with my creditors and couldn't be happier. CT did what exactly what they said they would: Get my business out of debt on an affordable monthly budget, and they even managed to save me a bunch of cash throughout the process. I would recommend Corporate Turnaround to any honest business owner that is trying to do the right thing and pay their creditors back, but simply at a more affordable rate. THANKS CT! You guys are awesome!

Sincerely,

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Debts may increase until a resolution is reached. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services or legal advice. Consult with a licensed attorney regarding the applicability of bankruptcy. Settlement offers range from pennies on the dollar to payment in full. There is no guarantee of savings.
