Dearest [REDACTED] and Corporate Turnaround Team.

I wanted to take this opportunity to thank you and everyone at the Corporate Turnaround Team.

Our journey started back in May 2009 when I was experiencing the darkest hours of our company's financial life. I was under so much stress I couldn't do anything right. I tried to handle this situation on my own, but I failed terribly. I decided to take action in a different way.

That's when I received a letter that changed my life. (From Corporate Turnaround) They were offering me their help to get back on my feet.

At the beginning I was a little skeptical, since I had already tried every option available. But still I decided to give it a chance. Little did I know that this simple phone call would be the start of a stress free life. [REDACTED] really helped me see the light at the end of the tunnel. I no longer had to deal with aggressive phone calls or any negotiations; all I had to do was refer them to Corporate Turnaround. . The amount of debt I had was over \$110,000.00 dollars and the amount I ended up paying was less than \$32,000.00 dollars. I ended up saving more than \$70,000.00 dollars.

[REDACTED] handled everything for me, He made sure to always keep me inform of everything. Finally on December 3, 2012 everything ended. I honestly couldn't have done it without the help of [REDACTED] and Corporate Turnaround. I could honestly say that our company is still in business thanks to [REDACTED] and his team.

I am truly grateful for the help received. I would sincerely recommend anyone that is experiencing the same situation, not to hesitate and give Corporate Turnaround a chance.

Sincerely

[REDACTED]
