To whom it may concern:

This program really works. Not only was my small business hit really hard with the bad economy, the actual thought of filing bankruptcy was even more overwhelming than trying to come up with the minimum payments every month. Add to that trying to find an alternative that wasn't a scam--- I was about to lose it!

Adam [Redacted] and his team of professionals set us up with a monthly payment plan we could work with and, slowly but surely, we chipped away at our debt load month in ad month out. The next thing we knew, we were out of debt!

Being a person that always pays their bill on time and in full, it was really hard to see those monthly statements come in the mail in the beginning and receive calls from creditors. I simply redirected them to Adam and his team and they took care of everything just as they said they would.

I would recommend Corporate Turnaround to anyone finding themselves in my situation and would like to thank them from the bottom of my heart. I couldn't have done it without them.

Sincerely,

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Consult with a licensed attorney regarding the applicability of bankruptcy. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services or legal advice.
