

Dearest Adam,

Feb 2017

I wanted to take the time to send you a thank you for all of the great work Corporate Turnaround did on my corporate debt restructuring and payoffs. You took the time to create a strategy that allowed me to breathe and still payoff all of my bills.

[REDACTED] is a professional protection services company that had fallen on some tough times. When I began the program in 2011, the company owed over \$115k in mainly high interest credit card and loan debt. I didn't think there was ever a way I could pay it all off. I was puttering along with minimum payments, not getting anywhere at all. I also lost my line of credit pretty much out of the blue when the bank decided to cut me off. That hurt!

I found CT on the internet and decided to reach out. A Yalonda [REDACTED] contacted me and explained how her company could help me. Yalonda was very passionate about the program and I felt like I could trust CT, so I signed up in November of 2011. Adam [REDACTED] was assigned as my Client Advocate and was with me till the end. Adam handled everything like a true professional and worked with me till I was able to pay everyone off this past November. 5 years went by quick, and now I am debt free. I can't believe it!

Once again you guys have done a professional and magnificent job and has made Allied look great. Please keep up the good work and keep helping businesses like mine.

Thank you guys so much

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Settlement offers range from pennies on the dollar to payment in full. There is no guarantee of savings. Debts may increase until a resolution is reached. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on.
