To whom this may concern,

It is with great pleasure to share my experience with Corporate Turnaround and how it has saved my business. I have had over \$550,000 in debt settled while saving **\$326,452.50** in the process. WOW! I have also had the same personal care professional since 2012. Adam has been with me through it all.

That's not found often in working with big companies across that kind of time.

Corporate Turnaround makes it easy to manage tough financial matters while you do what you need to do to turn your business around. I was spending my retirement trying to keep the doors open not knowing how I could begin to turn things around. Adam and his team at Corporate Turnaround guided me through the process making it almost effortless to manage. This gave me time to refocus my business to turn it around. I am now on a path with clear vision rather than living in fear unable to really focus on what is needed.

CT handles badgering creditors call and all negotiations. I have had major matters I first thought were unmanageable taken in and negotiated with considerable savings. I have every confidence in the professionals at Corporate Turnaround to give you the best service possible.

They will take care of matters letting you focus on what matters most..YOU.

Thank you so much CT!

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Settlement offers range from pennies on the dollar to payment in full. There is no guarantee of savings. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on. Consult with a licensed attorney regarding the applicability of bankruptcy. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services or legal advice.
