My FRIEND Adam-

Exactly two years ago TO THE DAY I decided to take a GIANT leap of faith with my business and enter it into the debt restructuring program offered by Corporate Turnaround. I lost sleep about this decision. I questioned it for weeks. For a while I couldn't understand how CT could possibly pay off my debt with my limited budget. Well, I stand here today and I can honestly say CT's program was one of the best business decisions I have ever made!

My debt load had swelled to over \$24,000.00 owed to 5 of the larger banks by way of credit cards, and 2 vendors I could no longer afford. Each credit card had ridiculous interest rates on them (as high as 30%!!!!), and my payment plans to the vendors were no longer affordable for my reduced budget. A gentleman by the name of Christopher Winnie contacted me and laid out a plan for me to take back control of my business by restructuring my debt. At first I thought he was crazy. I couldn't understand how he could do it if I hadn't been able to all these years. As we spoke, I realized CT had just what I was looking for. They offered a program that would allow me to focus on work and making money by letting them handle all the communication and negotiation with my creditors. It worked!

The creditor calls were (to put it mildly) ANNOYING—but they eventually died down. Slowly but surely, the settlements rolled in, and my debt disappeared. Every month I would get a call from my new best friend, Adam Lang, with some updates and advice on how everything was going. Adam couldn't have been more professional and uplifting. I always looked forward to his calls, no matter what he said. Even when he called just to see what was up, he made it entertaining and easy going. I am not sure I would have made it through the program without him so I would like to thank him from the bottom of my heart. You truly are A GREAT PERSON!

When all was said and done, I had paid off all my creditors, paid CT for their services, and still managed to save \$9,034.42! I couldn't have been happier with Corporate Turnaround and would recommend them to anyone trying take back control of their struggling business. Thank you! Thank you! Thank you!

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Until a debt is resolved, creditors may continue with their collection efforts, including phone calls and legal action. CT does not provide any legal services or legal advice. Debts may increase until a resolution is reached. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on.
