Hi Adam and the entire staff of Corporate Turnaround,

I just want to say Thank you, Thank you, Thank you for all your help restoring my company as well as me; and... pulling me through one of the darkest times in my life.

Here is an excerpt of a letter I wrote you in the beginning of our fall...and the start of our healing in February 2011

*"It is with deep regret that I am writing this letter to you. I find myself and my company unable to pay our bills and debts due to circumstances over the past 2 ½ to three years. We have always prided ourselves as having excellent credit and always able to pay what we owe regardless of the amount. Now that is simply not true.*

*This has been an exhausting journey. Due to the financial strain of the company, nights are sleepless and hope is dwindling. Three times in the past year I considered closing the company and filing bankruptcy. My drive and determination along with fear of total failure kept me from going through with it".*

As I was researching how to close the business in 2011; I came across Corporate Turnaround. Through further research and finally the desire to turn things around I called [REDACTED] with CT and was assured they were the ones to help me.

I had amassed \$340,000 in debt since I started the business in 1989, was receiving call after call from creditors, and needed serious help. Scott introduced me to the best person in the world! My CT advocate: [REDACTED] ...Adam calmed my fears, reassured me we would get through this, and was the best support anyone could ever want or need. Adam and CT handled all of the creditors, and collectors...and did it with such expertise that I was finally able to run my business and get back to doing what we do best; Providing Event Services to our customers.

Adam and CT saved me \$167,000 over the last 3 years and with my payments and their expertise... As of 1/28/14 WE ARE DEBT FREE!!!!

Adam, I cannot tell you how much I appreciate your help and the help of the entire staff of Corporate Turnaround. I would recommend your services to any struggling company with the desire to turn things around.

Again... Thank you!

Sincerely,  
[REDACTED]

Your company's results may vary. Every restructuring has a unique combination of issues and factors, including the length of participation in the program. All of these variables affect individual outcomes. There are no "typical" results. Settlement offers range from pennies on the dollar to payment in full. There is no guarantee of savings. There are no time limits for reaching settlements. Some creditors may settle after CT's first set of offers, and others may be resolved later on.
