Adam [REDACTED]  
Corporate Turnaround

Thank you Adam and Corporate Turnaround for being my partner in resolving approximately \$100,000.00 in credit card debt. Without your dedication, the follow up and follow through, along with the professional friendship, my company would have been forced to file bankrupt. Through your efforts and your caring, I was able to keep my business working while getting out of debt. It was not easy but you made it affordable, workable and lightened the load big time, thank you CT.

My journey with Corporate Turnaround started in June of 2008 when I was on my last legs. Year's pier to this, I had a 11 person payroll to meet and working families to feed every week and was always behind never getting ahead. I took on more and more debt to keep the business running. I was getting older and could not see any light at the other end and finally let my payroll go, went back working by myself and still having all that debt haunting me everyday. I was getting 8-10 calls a day form collectors who were doing their job but it was not a fun time. My wife hung in there with me when many would have bailed. She was my number one life line. We will be married 50 years and in business for 50 years this year that we are very proud of. We have three daughters and ten awesome grand kids. CT was a huge part of our last 8 years to make our 50 years happen.

I am not sure how I came across Corporate Turnaround but I am so glad I did and that I followed through with them. I had checked into other companies and even got involved with one company that promised the world, took my money and put me through the ringer. It was a terrible mentality and exhausting experiences. I finally had enough and got rid of them saying I would never get involved again. Then Corporate Turnaround came into my life and I decided to take another chance because of the positive feeling I had after my first conversation with them. My first adviser was Jared [REDACTED] and he was awesome. I think he was promoted and then I got Adam [REDACTED] who is another awesome person. I have never met Adam but I feel like I have known him all my life.

I could go on and on but I think a professional picture of Corporate Turnaround has been painted. Three weeks ago I made my last payment to clear that credit card debt and what an awesome feeling at my age of 72. I can now semi-retire with piece of mind that we paid our debt and everything is OK. Thank you Jared and Adam and CT.
